# BACnet Testing Laboratories Product Listing

This product has been tested at a qualified BACnet Testing Laboratory and found to comply with all the necessary interoperability requirements in place on the published test date. This listing represents the tested capability of the Listed Product. For information on additional functionality that was not covered in the test process, refer to the Manufacturer's PICS statement on the BI website.

### Listing Information

| Vendor  |                          | Listing Status |
|---|--------------------------|----------------|
| Honeywell GmbH, Environmental & Combustion Controls<br>Boeblinger Strasse 17<br>D-71101 Schoenaich<br>GERMANY |                          | Listed Product |
| Test Requirements   | BACnet Protocol Revision | Date Tested    |
| Requirements as of August 2012  | Revision 12 (135-2010)   | February 2014  |

| Product Name                     | Model Number(s) | Software Version                                     |
